II. **American Bank Online Service**

By providing us with a telephone number (including a wireless/cellular or mobile telephone number) and/or email address, you consent to receiving calls from us and our Service Providers at that number and/or emails from us for our everyday business purposes (including identify verification). You acknowledge and agree that such telephone calls include, but are not limited to, live telephone calls, prerecorded or artificial voice message calls, text messages, and calls made by an automatic telephone dialing system from us or our affiliates and agents. You further consent to receiving text messages from us at that number, and/or emails from us for marketing purposes in connection with the Service and consistent with our Privacy Policy. Please review our Privacy Policy for more information.

A. **Criteria for Establishing the Online Service.**

- 1. Eligibility.** In order to activate the *Online Service*, you must have at least one Account with us. We will provide a form of application to enable a customer to register for the use of the *Online Service*. You must complete and submit such application in a form and manner satisfactory to us. Upon acceptance of your application, you will be able to use our *Online Service*. For joint accounts, each person must register individually to use our *Online Service*. Each person on a joint account will be liable for all transactions that are made on that account by all other joint holders of the account. Alternatively, we may establish other secure procedures for enrollment in and/or access to the *Online Service*, or any portions of the *Online Service*, and for authorization of any transactions in your Activated Account. We reserve the right to terminate your registration at any time.
- 2. Access.** The *Online Service* is generally accessible 24-hours a day, seven (7) days a week, except that the *Online Service* may be inaccessible for system maintenance. We are not liable under this Access Agreement for failure to provide access due to a system failure or due to other unforeseen acts. We reserve the right to restrict and/or deny online banking access privileges at any time and/or to restrict online banking access within any country outside of the United States or any high risk or unknown IP address, regardless of location, or if we are suspicious of any online behavior. Finally, we may modify, suspend, or terminate access to the *Online Service* at any time and for any reason without notice or refund of any fees that you have paid.
- 3. Linking Your Accounts.** Upon satisfactory enrollment, your existing personal Accounts will be linked and accessible through the *Online Service*. At our option, we may also add future personal Accounts or you may contact Customer Service by phone or send us a Message through the Service to request that we add an account.
- 4. Equipment Requirements.** To use the *Online Service*, you need certain software, a computer, an Internet Service Provider (ISP), a broadband connection and Browser software which supports 128-bit encryption, Transport Layered Security (TLS) 1.1 or higher. For the best results, we recommend you utilize the most current version of the following browsers: Google Chrome, Mozilla Firefox, Safari or Microsoft Edge. In this Access Agreement, the computer and the software are collectively referred to as your "computer". You are solely responsible for the selection, installation, maintenance and operation of your computer. Your computer must be compatible with our operations in order to access your Accounts or to use our other services that may be available now or in the future. We are not responsible for any errors or failures from any malfunction of your computer or any virus or other problems related to the use of the *Online Service*. We encourage you to scan your computer routinely using a reliable virus protection product to detect and remove viruses. If undetected and unrepaired, a virus can corrupt and destroy your programs, file and hardware.
- 5. Relation to Other Agreements.** Your use of the *Online Service* may also be affected by the agreements between you and us for your Activated Account. When your Account is linked to the *Online Service*, you do not change the agreements you already have with us for your Activated Account. For example, if your deposit

account is linked to the *Online Service*, the terms and conditions of your customer agreement(s), and the disclosures related thereto do not change. Similarly, when you use the *Online Service* to access a credit account, you do so under the terms and conditions we gave you in the agreement and disclosures for the credit account. You should review those agreements and disclosures for any applicable fees, for limitations on the number of transactions you can make, and for other restrictions that might impact your use of an Activated Account with the *Online Service*.

Your Right to Cancel or Change a Debit Request. You must deliver electronic, written or oral notification to us before 4:00 p.m. ET on the date the debit request is scheduled to occur. If you wish to provide oral notification to us, we may ask you to confirm that oral notice in writing within 14 days of giving the oral notification.

15. Review Account history. Review the history of past transactions on your Accounts for up to two (2) years. You should review transactional information at least once every thirty (30) days to assure the accuracy of your bank records.
16. Send email messages to us. Public email services are not considered secure. As a convenience, in order for you to direct questions about your Account to our Customer Service Department, and to provide general feedback, we provide a means to send us a secure email by clicking on the 'Secure Messages' link located on the left side bar after you sign-on to the *Online Service*. We may not immediately retrieve the Secure Messages that you send. Therefore, you should not rely on Secure Messages if you need to communicate with us immediately – for example, to report a lost or stolen card, or to report an unauthorized transaction from one of your Accounts. We will not take action based on your Secure Message requests until we actually receive your Message and have a reasonable opportunity to act upon your request. Secure Messages must not be used to initiate transactions on your Account. For banking transactions, please use the appropriate functions within the *Online Service*.
17. Set-up Account & Security Alerts ("Alerts"). An Alert enables you to receive notices from time to time concerning certain transaction information and other information relating to your deposit and loan accounts with us which are eligible for the service. As part of the enrollment process, you may select the conditions when you want to receive an Alert and the method of Alert delivery for your eligible Accounts. By your use of the Alert Service, you acknowledge that you are aware of and agree to abide by the following terms and conditions:
 - The Alert Service allows you to request and receive electronic mail ("email") or a SMS ("Text") message about your Accounts that are linked to the service. You designate the email address(es) and/or phone

number(s) where you wish to receive the Alerts. The email address and phone number you specify for alerts does not have to be the same as the email address or phone number on file with the bank. If you change your email address or phone number with the bank, you will also need to update this information on the alerts page in order to continue receiving your alerts. Anyone with access to your email or Text messages will be able to view the contents of these alerts.

- You may activate Account Alerts for any account linked to the *Online Service*. Account Alerts are optional and include available balance below or above a specified dollar amount; credit or debit transaction above or below a specified dollar amount, etc. You may change these Alerts at any time by clicking on the menu button, select Alerts, Account Alerts and the account number you want to receive alerts. Click on the corresponding envelope to add or remove an Alert.
 - You may set-up Security Alerts and we will send those Alerts to you based upon the instructions you provide us. For security purposes, we automatically send an Alert when the email address or phone number where you receive alerts is changed. You are not able to opt out of any automatically sent alerts.
 - You may Opt-Out or change an optional Alert at any time. If you no longer wish to receive an optional Alert or you want to start receiving an Alert, click the corresponding envelope to “off” or “on”. Changes to your instructions must be received and recorded by us before they will become effective. You understand and agree that email Alerts are sent to you without being encrypted. Because of this, we will never include your passcode or full account number.
 - You authorize us to deliver information to the email address or phone number you provide us, even though a person not an owner on your account may access the message (such as someone who can open your emails).
 - You acknowledge and agree that your receipt of any Alert may be delayed or prevented by factor(s) affecting your communications service provider(s) and other factors outside of our control. We neither guarantee the delivery nor the accuracy of the contents of each Alert. You agree that neither we, nor our directors, officers, employees and agents shall be liable for losses in whole or in part, from (a) a non-delivery, delayed delivery, or the misdirected delivery of an Alert; (b) inaccurate or incomplete content in an Alert; (c) your reliance on or use of the information provided in an Alert for any purpose; or (d) for any actions taken or not taken by you or any third party in reliance of an alert.
 - We provide the Alert as a convenience to you for information purposes only. The Alert does not constitute a bank record for the Account to which it pertains. We reserve the right to terminate Alert notifications at any time without prior notice to you. We also reserve the right to begin charging a fee for the service after providing to you notice of the fee. Nothing contained herein shall amend, supersede or nullify anything contained in any other agreement you have made with us. We may add new alerts from time to time or eliminate existing Alerts. If you have opted to receive an Alert that is to be eliminated, we will notify you of the cancellation of an alert or other discontinuance of the service at least 30 days in advance. You agree that we may provide all notifications concerning changes to the service by electronic means, which may include posting any changes on our website, AMBK.com.
18. Card Valet enables you to maintain control of your debit card(s). You have the option of disabling and reactivating the card when you want to use it; set spending limits; set the types of merchants where the card can be used, and even the types of transactions (i.e., ATM or eCommerce) that are allowed. You'll be able to see and control any cards on your account, such as set spending limits for your child's card or disable your spouse's card when the card is misplaced while running errands. Keep in mind, the other cardholders on your account also have access so they can change them back at any time.

Please note, some merchants send pre-authorizations that may be lower or higher than your actual transaction amount (i.e., gas stations or restaurants where you may add a tip). This may result in your card being declined if the merchant holds more than the limit you have set. It may also result in a transaction going through that is over your set limit when the preauthorization was for less.

Turning off your card does not prevent reoccurring transactions from going through, nor does it stop already pending activity, refunds, or reversals. You should still contact us if you determine your card is lost or stolen

and immediately contact us if you believe unauthorized activity has occurred.

19. **New services.** We may, from time to time, introduce new services. To the extent legally required, we will notify you of any new services. By using these services when they become available, you agree to be bound by the rules communicated to you concerning these services.
20. **Special limitations.** Some of the services and activities that you may perform through the *Online Service* may be limited to certain types of customers and accounts, as well as to the extent noted below and in the agreements governing your various Accounts with us. Your ability to transfer funds from savings, money market deposit accounts or line of credit accounts using the *Online Service* are subject to the limitations described in the applicable Account agreements. You should refer to these agreements for restrictions and service charges.

C. Additional Information about the *Online Service*.

1. **Account Access.** To use the *Online Service*, your Accounts must be linked to the *Online Service*. You may transfer funds through the *Online Service* in any amount of available collected funds between your eligible Accounts. We deduct the amount of your fund transfer from your Accounts on the date you instruct us to process it. We reserve the right to restrict and/or deny online banking access privileges at any time and/or to restrict online banking access within any country outside of the United States or any high risk or unknown IP address, regardless of location, or if we are suspicious of any online behavior. Additionally, we may refuse to act on your fund transfer instruction if sufficient collected funds, including funds available under any overdraft plan, are not available in your Account on the date you want us to transfer funds. We are under no obligation to monitor transactions through the *Online Service* to determine that they are made on your behalf.
2. **Fees.** We do not currently charge monthly or transaction fees for accessing your Accounts through the *Online Service*. We reserve the right to impose or change fees for electronic delivery and charge your deposit account for these fees at any time after providing such notice to you as may be required by law or regulation. Please note that fees for internet or mobile access may be assessed by your internet or mobile service provider. You are responsible for any fees which may be assessed to you by your internet or mobile service provider, including but not limited to text, data and other usage charges.

The revised version will be effective at the time it is posted unless a delayed effective date is expressly stated in the revision. Any use of the Service after a notice of change or after the posting of a revised version of this Agreement on the Site will constitute your agreement to such changes and revised versions. Further, we may, from time to time, revise, update, upgrade or enhance the

Service and/or related applications or material, which may render all such prior versions obsolete. Consequently, we reserve the right to terminate this Agreement as to all such prior versions of the Service, and/or related applications and material, and limit access to only the Service's more recent revisions, updates, upgrades or enhancements.

4. **Our Relationship with You.** We are an independent contractor for all purposes, except that we act as your agent with respect to the custody of your funds for the Service. We do not have control of, or liability for, any products or services that are paid for with our Service. We also do not guarantee the identity of any user of the Service (including but not limited to recipients to whom you send payments).
5. **Assignment.** You may not transfer or assign any rights or obligations you have under this Agreement without our prior written consent, which we may withhold in our sole discretion. However, in all other cases, your telephone calls will not necessarily constitute legal notices to us under this Agreement.

7. **Notices to You.** You agree that we may provide notice to you by posting it on the Site, sending you an in-product message within the Service, emailing it to an email address that you have provided us, mailing it to any postal address that you have provided us, or by sending it as a text message to any mobile phone number that you have provided us, including but not limited to the mobile phone number that you have listed in your Service setup or customer profile. In addition, you are prohibited from using the Service for communications or activities that: (a) violate any law, statute, ordinance or regulation; (b) promote hate, violence, racial intolerance, or the financial exploitation of a crime; (c) defame, abuse, harass or threaten others; (d) include any language or images that are bigoted, hateful, racially offensive, vulgar, obscene, indecent or discourteous; (e) infringe or violate any copyright, trademark, right of publicity or privacy or any other proprietary right under the laws of any jurisdiction; (f) impose an unreasonable or disproportionately large load on our infrastructure; (g) facilitate any viruses, trojan horses, worms or other computer programming routines that may damage, detrimentally interfere with, surreptitiously intercept or expropriate any system, data or information; (h) constitute use of any robot, spider, other automatic device, or manual process to monitor or copy the Service or the portion of the Site through which the Service is offered without our prior written permission; (i) constitute use of any device, software or routine to bypass technology protecting the Site or Service, or interfere or attempt to interfere, with the Site or the Service; or (j) may cause us or our Service Providers to lose any of the services from our internet service providers, payment processors, or other vendors. We encourage you to provide notice to us by the methods described in Section 6 of the General Terms above of any violations of the General Terms or the Agreement generally.

15. Payment Methods and Amounts. There are limits on the amount of money you can send or receive through our Service. Your limits may be adjusted from time-to-time in our sole discretion. For certain Services, you may log in to the Site to view your individual transaction limits. We or our Service Provider also reserve the right to select the method in which to remit funds on your behalf through the Service, and in the event that your Eligible Transaction Account is closed or otherwise unavailable to us the method to return funds to you. These payment methods may include, but may not be limited to, an electronic debit, a paper check drawn on the account of our Service Provider, or draft check drawn against your account.

16. Your Liability for Unauthorized Transfers. Immediately following your discovery of an unauthorized Payment Instruction, contact customer service for the Service in the manner set forth in Section 6.c of the General Terms above. You acknowledge and agree that time is of the essence in such situations. If you tell us within two (2) Business Days after you discover your password or other means to access your account through which you access the Service has been lost or stolen, your liability is no more than \$50.00 should someone access your account without your permission. If you do not tell us within two (2) Business Days after you learn of such loss or theft, and we can prove that we could have prevented the unauthorized use of your password or other means to access your account if you had told us, you could be liable for as much as \$500.00. If your monthly American Bank statement contains payments that you did not authorize, you must tell us at once. If you do not tell us within sixty (60) days after the statement was sent to you, you may lose any amount transferred without your authorization after the sixty (60) days if we can prove that we could have stopped someone from taking the money had you told us in time. If a good reason (such as a long trip or a hospital stay) prevented you from telling us, we may in our sole discretion extend the period.

17. Taxes. It is your responsibility to determine what, if any, taxes apply to the transactions you make or receive, and it is your responsibility to collect, report and remit the correct tax to the appropriate tax authority. We are not responsible for determining whether taxes apply to your transaction, or for collecting, reporting or remitting any taxes arising from any transaction.

18. Failed or Returned Payment Instructions. In using the Service, you are requesting that we or our Service Provider attempt to make payments for you from your Eligible Transaction Account. If the Payment Instruction cannot be completed for any reason associated with your Eligible Transaction Account (for example, there are insufficient funds in your Eligible Transaction Account, or the Payment Instruction would exceed the credit or overdraft protection limit of your Eligible Transaction Account, to cover the payment), the Payment Instruction may or may not be completed. In certain circumstances, our Service Provider may either advance funds drawn on their corporate account or via an electronic debit, and in such circumstances will attempt to debit the Eligible Transaction Account a second time to complete the Payment Instruction. In some instances, you will receive a return notice from us or our Service Provider. In each such case, you agree that:

- a. You will reimburse us or our Service Provider immediately upon demand the amount of the Payment Instruction if the payment has been delivered but there are insufficient funds in, or insufficient overdraft credits associated with, your Eligible Transaction Account to allow the debit processing to be completed;
- b. You may be assessed a late fee equal to one and a half percent (1.5%) of any unpaid amounts plus costs of collection by our Service Provider or their third-party contractor if the Payment Instruction cannot be debited because you have insufficient funds in your Eligible Transaction Account, or the transaction would exceed the credit or overdraft protection limit of your Eligible Transaction Account, to cover the payment, or if the funds cannot otherwise be collected from you. The aforesaid amounts will be charged in addition to any NSF charges that may be assessed by us, as set forth in your fee schedule from us (including as disclosed on the Site) or your account agreement with us. You hereby authorize us and our Service Provider to deduct all of these amounts from your designated Eligible Transaction Account, including by ACH debit;
- c. We and our Service Provider are authorized to report the facts concerning the return to any credit reporting agency.

19. Address or Banking Changes. It is your sole responsibility, and you agree to ensure that the contact information in your user profile is current and accurate. This includes, but is not limited to, name, physical address, phone numbers and email addresses. Changes can be made by sending us a secure Message after you sign on to *AmericanBank Online*. In addition, you may send us a written notification of your changes to our address as set forth in Section 6 of the General Terms above, with your original signature as it appears on your account. Each account owner must submit an address change. You may mail your change request to:

In addition, and in accordance with our Privacy Policy, you agree that we reserve the right to obtain personal information about you, including without limitation, financial information and transaction history regarding your Eligible Transaction Account. We and our Service Providers shall have the right to retain such data even after termination or expiration of this Agreement for risk management, regulatory compliance, or audit reasons, and as permitted by applicable law for everyday business purposes. In addition, we and our Service Providers may use, store and disclose such information acquired in connection with the Service in statistical form for pattern recognition, modeling, enhancement and improvement, system analysis and to analyze the performance of the Service. The following provisions in this Section apply to certain Services:

- a. **Mobile Subscriber Information.** You authorize your wireless carrier to disclose information about your account, such as subscriber status, payment method and device details, if available, to support identity verification, fraud avoidance and other uses in support of transactions for the duration of your business relationship with us. This information may also be shared with other companies to support your transactions with us and for identity verification and fraud avoidance purposes.
- b. **Device Data.** We may share certain personal information and device-identifying technical data about you and your devices with third party service providers, who will compare and add device data and fraud data from and about you to a database of similar device and fraud information in order to provide fraud management and prevention services, which include but are not limited to identifying and blocking access to the applicable service or website by devices associated with fraudulent or abusive activity. Such information may be used by us and our third-party service provider to provide similar fraud management and prevention services for services or websites not provided by us. We will not share with service providers any information that personally identifies the user of the applicable device.

21. Service Termination, Cancellation, or Suspension. If you wish to cancel the Service, you may contact us as set forth in Section 6 of the General Terms above. Any payment(s) that have begun processing before the requested cancellation date will be processed by us. You agree that we may terminate or suspend your use of the Service at any time and for any reason or no reason. Neither termination, cancellation nor suspension shall affect your liability or obligations under this Agreement.

22. Errors, Questions and Complaints.

- a. In case of errors or questions about your transactions, you should as soon as possible contact us as set forth in Section 6 of the General Terms above.
- b. If you think your periodic statement for your account is incorrect or you need more information about a transaction listed in the periodic statement for your account, we must hear from you no later than sixty (60) days after we send you the applicable periodic statement for your account that identifies the error. You must:
 - 1. Tell us your name;
 - 2. Describe the error or the transaction in question, and explain as clearly as possible why you believe it is an error or why you need more information; and,
 - 3. Tell us the dollar amount of the suspected error.
- c. If you tell us orally, we may require that you send your complaint in writing within ten (10) Business Days after your oral notification. Except as described below, we will determine whether an error occurred within ten (10) Business Days after you notify us of the error. We will tell you the results of our investigation within three (3) Business Days after we complete our investigation of the error and will correct any error promptly. However, if we require more time to confirm the nature of your complaint or question, we reserve the right to take up to forty-five (45) days to complete our investigation. If we decide to do this, we will provisionally credit your Eligible Transaction Account within ten (10) Business Days for the amount you think is in error. If we ask you to submit your complaint or question in writing

and we do not receive it within ten (10) Business Days, we may not provisionally credit your Eligible Transaction Account. See also Section 16 of the General Terms above regarding how the timeliness of your notice impacts your liability for unauthorized transfers.

ZELLE® and Other Payment Services Additional Terms

1. Description of Services.

- a. We have partnered with the Zelle Network® ("Zelle®") to enable a convenient way to transfer money between you and other Users using aliases, such as email addresses or mobile phone numbers ("Zelle® Payment Service," as further described below). Zelle® provides no deposit account or other financial services. Zelle® neither transfers nor moves money. You may not establish a financial account with Zelle® of any kind. All money will be transmitted by a Network Financial Institution. THE ZELLE® PAYMENT SERVICE IS INTENDED TO SEND MONEY TO FRIENDS, FAMILY AND OTHERS YOU TRUST. YOU SHOULD NOT USE THE ZELLE® PAYMENT SERVICE OR OTHER PAYMENT SERVICES TO SEND MONEY TO RECIPIENTS WITH WHOM YOU ARE NOT FAMILIAR OR YOU DO NOT TRUST. The term "Zelle® and Other Payment Terms" means these Zelle® and Other Payment Services Additional Terms.
- b. In addition to the Zelle® Payment Service, we provide other payment services under these Terms of Service. First, these additional services allow you to send money to people if you provide the Eligible Transaction Account information and other contact information for the Receiver; such transactions are not sent via Zelle®. Second, outside Zelle®, we allow you to establish a one-time payment for a payment recipient for which processing shall be initiated at a later specified date up to one (1) year. Third, outside Zelle®, we enable you to establish a recurring series of payments to a payment recipient for which processing shall be initiated on dates you specify. These three payment services and any other payment services that we provide under these Zelle® and Other Payment Terms are referred to as "Other Payment Services" in these Zelle® and Other Payment Terms. Although future-dated payments and recurring payments are outside Zelle®, we may ultimately send those transactions via Zelle® when the applicable date of payment arrives, in which case the applicable payment transaction is part of the Zelle® Payment Service, not the Other Payment Services. The term "Zelle® and Other Payment Services" means the Zelle® Payment Service and the Other Payment Services.
- c. The Zelle® and Other Payment Services enable you: (1) to initiate a Payment Instruction from an Eligible Transaction Account to an account at a U.S. financial institution; and/or (2) to receive a payment from another person into an Eligible Transaction Account, in U.S. dollars. All payments must be made through the Site and are subject to the terms of this Agreement and applicable laws and regulations, in each case as in effect from time to time. Receipt of payments may be made through the Site and is subject to the terms of this Agreement and applicable laws and regulations, in each case as in effect from time to time. In some instances, receipt of payments may be made through other locations besides our Site, such as the Zelle® mobile handset application ("Zelle® Standalone Locations") and if you choose to initiate or receive a payment at a Zelle® Standalone Location you acknowledge and agree that you shall be subject to the terms of other agreements, including, but not limited to, the "terms of use" for the Zelle® Standalone Locations and applicable laws and regulations, in each case as in effect from time to time. Subject to the

terms of this Agreement, the Zelle® and Other Payment Services are generally available 24 hours, seven days a week with the exception of outages for maintenance and circumstances beyond our or Zelle®'s control. Live customer service generally will be available Monday through Friday, excluding US financial institution holidays.

- d. The Zelle® Payment Service allows for the delivery of payments to Receivers who are also enrolled in the Zelle® Payment Service through a Payment Network designed to deliver payments on the same day and potentially within minutes, although actual speed will vary, as described below. The Zelle® and Other Payment Services are not instantaneous. Payment delivery speed may vary based upon the fraud, risk and other funds availability policy of each financial institution and Payment Network availability. We are not responsible for the performance, speed, or other acts or omissions of the Payment Networks that may be involved in the transmission of a payment. We shall not be obligated to comply with the Automated Clearinghouse (ACH) Rules in such recovery efforts or otherwise in connection with Zelle® and Other Payments unless the applicable transaction is transmitted through the ACH network. We are only responsible for delivery of the applicable Payment Instructions to the applicable Payment Network in the format required by the applicable Payment Network's specifications.

2. Payment Authorization and Payment Remittance.

- a. Section 12 of the General Terms does not apply to the Zelle® Payment Service. When you enroll to use the Zelle® Payment Service or when you permit others to whom you have delegated to act on your behalf to use or access the Zelle® Payment Service, you agree to the terms and conditions of this Agreement. You represent that you have the authority to authorize debits and credits to the enrolled bank account. In addition to the restrictions set forth in Section 13 of the General Terms, you agree that you will not use the Zelle® and Other Payment Services to send money to anyone to whom you are obligated for tax payments, payments made pursuant to court orders (including court-ordered amounts for alimony or child support), fines, payments to loan sharks, gambling debts or payments otherwise prohibited by law, and you agree that you will not use the Zelle® and Other Payment Services to request money from anyone for any such payments. You agree that you will not authorize a third party to use the Zelle® Payment Service or share your credentials with a third party to use the Zelle® Payment Service on your behalf except in legally authorized situations such as legal guardianship or pursuant to a power of attorney.
- b. This Section 2(b) does not apply to the Zelle® Small Business Service (to the extent made available by us). The Zelle® and Other Payment Services are intended for personal, not business or commercial use. You agree that you will not use the Zelle® and Other Payment Services to send or receive payments in connection with your business or commercial enterprise. We reserve the right to decline your enrollment if we believe that you are enrolling to use the Zelle® and Other Payment Services with your business account or to receive business or commercial payments. We further reserve the right to suspend or terminate your use of the Zelle® Payment Service if we believe that you are using the Zelle® Payment Service for business or commercial purposes, or for any unlawful purpose.
- c. You must provide us with an email address that you regularly use and intend to use regularly (i.e., no disposable email addresses) and a permanent mobile phone number that you intend to use for an extended period of time (i.e., no "burner" numbers). You may not enroll in the Service with a landline phone number, Google Voice number, or Voice over Internet Protocol. Once enrolled, you may: (i) authorize a debit of your account to send money to another User either at your initiation or at the request of that User; and (ii) receive money from another User either at that User's initiation or at your request, subject to the conditions of the Section below titled "Requesting Payments." If at any time while you are enrolled, you do not send or receive money using the Zelle® Payment Service for a period of 18 consecutive months, then you understand that we may cancel your enrollment and you will not be able to send or receive money with the Zelle® Payment Service until you enroll again. Once enrolled, a Z logo will appear on your profile picture for each U.S. mobile number and/or email address that you have enrolled with Zelle®. The Z logo will be displayed to other Users to aid them in determining which of your U.S. mobile numbers or email addresses should be used to send money with Zelle®. If a User sends you money using a different U.S. mobile number or email address that they may have for you (one that is not already enrolled), you will receive a message with instructions on how to enroll with Zelle®.
- d. When you enroll with Zelle®, you may establish one or more profiles. Each profile may be linked to only one bank account or debit card, but you may enroll multiple email addresses or mobile phone numbers in each profile. Once you have enrolled an email address or a mobile phone number with a profile, you may

not use that same email address or phone number with any other profile. By providing us with names and mobile telephone numbers and/or email addresses of Receivers to whom you wish to direct payments, you authorize us to follow the Payment Instructions that we receive through the Zelle® Payment Service. By providing us with names, bank account information and other contact information for Receivers to whom you wish to direct a payment via the Other Payment Service, you authorize us to follow the Payment Instructions that we receive via the Other Payment Services. Once enrolled, you authorize us to credit your Eligible Transaction Account for payments remitted to you on behalf of a Sender without further approval from you.

- e. When we receive a Payment Instruction from you, you authorize us to debit your Eligible Transaction Account for the amount of any such Payment Instruction plus any related fees in effect (and as disclosed on the Site) at the time you initiate the Payment Instruction, and to remit funds on your behalf. You acknowledge and agree that any applicable fees will be charged when we receive a Payment Instruction from you, regardless of whether the Payment Instruction is ultimately completed. You also authorize us to credit your Eligible Transaction Account for the receipt of payments, including, but not limited to, those payments returned to us from Receivers to whom you sent payment(s) and those payments that were cancelled and returned to you because the processing of the Payment Instruction could not be completed.
- f. You agree that we will not be liable in any way for any payments that you may receive, regardless of whether you authorized the Sender to send them to you.
- g. We will use reasonable efforts to complete all your Payment Instructions properly. However, we shall incur no liability if we are unable to complete any transaction because of the existence of any one or more of the following circumstances:
 - 1. If, through no fault of ours, the Eligible Transaction Account does not contain sufficient funds to complete the Payment Instruction or the Payment Instruction would exceed the credit limit of your overdraft account;
 - 2. The Zelle® and Other Payment Services are not working properly and you know or have been advised by us about the malfunction before you execute the Payment Instruction;
 - 3. The payment is refused as described in Section 6 of the Zelle® and Other Payment Terms below;
 - 4. You have not provided us with the correct information, including, but not limited to, the correct Payment Instructions or Eligible Transaction Account information, or the correct name and address or mobile phone number of the Receiver to whom you are initiating a Payment Instruction; and/or,
 - 5. Circumstances beyond our control (such as, but not limited to, fire, flood, network or system down time, issues with the financial institution, or interference from an outside force) prevent the proper execution of the Payment Instruction.
- h. It is the responsibility of the Sender and the Receiver to ensure the accuracy of any information that they enter into the Zelle® and Other Payment Services (including, but not limited to, the Payment Instructions and name, telephone number and/or email address for the Receiver to whom you are attempting to send a payment), and for informing us as soon as possible if they become aware that this information is inaccurate. We will make a reasonable effort to stop or recover a payment made to the wrong person or entity once informed, but we do not guarantee such stoppage or recovery and will bear no responsibility or liability for damages resulting from incorrect information entered by the Sender or Receiver.

3. Sending Payments.

- a. You may send money to another User at your initiation or in response to that User's request for money. You understand that use of the Zelle® and Other Payment Services by you shall at all times be subject to (i) this Agreement, and (ii) your express authorization at the time of the transaction for us or another Network Financial Institution to initiate a debit entry to your bank account. You understand that when you send the payment, you will have no ability to stop it. When a Sender initiates a Payment Instruction, the Receiver is not required to accept the payment if the Receiver has not enrolled in Zelle®. You agree that you as a Sender will not hold us liable for any damages resulting from a Receiver not enrolling in Zelle®. For the Zelle® Payment Service, you may only cancel a payment if the person to whom you sent the money has not yet enrolled in the Zelle® Payment Service. As to the Zelle® Payment Service, if the person you sent money to has already enrolled with Zelle®, either in the Zelle® Standalone Locations or with a

Network Financial Institution, then the money is sent directly to their bank account (except as otherwise provided below) and may not be canceled or revoked. Cancellation is addressed more generally in Section 6 (Payment Cancellation, Stop Payment Requests and Refused Payments) below. You may initiate a one-time Payment Instruction to a Receiver for which processing shall be initiated immediately via Zelle®. Via the Other Payment Services, you may also initiate (a) a one-time Payment Instruction to a Receiver for which processing shall be initiated at a later specified date up to one (1) year, and (b) a recurring series of Payment Instructions to a Receiver for which processing shall be initiated on the specified dates. Further details about each of these options can be found on the Site.

- b. Payment Instructions initiated to Receivers require you to provide contact information about the Receiver (including an email address and/or mobile telephone number). If the Receiver does not bank at a Network Financial Institution and has not yet enrolled in Zelle®, then the Zelle® Payment Service will contact the Receiver and request that the Receiver (i) provide information so that the identity of the Receiver may be validated at a Zelle® Standalone Location and then (ii) provide Eligible Transaction Account information in order to complete the Payment Instruction (a "Two-Step Transfer"). If the Receiver maintains an Eligible Transaction Account with a Network Financial Institution and has not yet enrolled in Zelle®, then the Zelle® Payment Service will contact the Receiver regarding enrollment in Zelle® and receipt of payment. If the Receiver has already enrolled in Zelle®, then the Receiver will receive a message regarding your payment.
- c. Via the Other Payment Services, we also support the sending of money to Receivers if you provide the Eligible Transaction Account information for the Receiver and other contact information for the Receiver; such transactions are not sent via Zelle®. You acknowledge and agree that if your Payment Instructions identify an account by name and account number, the relevant financial institution may execute those Payment Instructions by reference to the account number only, even if such account number does not correspond to the account name. You further acknowledge and agree that financial institutions holding the account may choose to not investigate discrepancies between account names and account numbers. We have no responsibility to investigate discrepancies between account names and account numbers, outside of our obligations under the law to investigate errors, described above in Section 22 of the General Terms (Errors, Questions, and Complaints).
- d. In most cases, when you are sending money to another User using the Zelle® Payment Service, the transfer will occur in minutes; however, there are circumstances when the payment may take longer. For example, in order to protect you, us, Zelle® and the other Network Financial Institutions, we may need additional time to verify your identity or the identity of the person receiving the money. If you are sending money to someone who has not enrolled as a User with Zelle®, either via a Zelle® Standalone Location or a Network Financial Institution, they will receive a text or email notification instructing them on how to enroll to receive the money. You understand and acknowledge that a person to whom you are sending money and who is not enrolling as a User may fail to enroll with Zelle®, or otherwise ignore the payment notification, and the transfer may not occur. The money may also be delayed or the transfer may be blocked to prevent fraud or comply with regulatory requirements. If we delay or block a payment that you have initiated, we will notify you in accordance with your User preferences (i.e., email, push notification). We have no control over the actions of other Users, other Network Financial Institutions or other financial institutions that could delay or prevent your money from being delivered to the intended User.
- e. For the Other Payment Services and those Zelle® Payment Service payments where the Site indicates payment will require more than a Business Day, you understand and agree that when you initiate a Payment Instruction from an Eligible Transaction Account, the processing of the Payment Instruction will begin and the debiting of your Eligible Transaction Account will occur as early as the day of such initiation. However, you and the Receiver should not expect the payment funds to be transferred into the Receiver's Eligible Transaction Account any earlier than the next Business Day after you initiated the Payment Instruction. As part of the Other Payment Services, if you request a one-time Payment Instruction to be initiated on a specified date or a recurring series of Payment Instruction to be initiated on specified dates, then the processing of the Payment Instruction will begin on the specified date and the debiting of your Eligible Transaction Account will occur as early as the specified date(s). However, you and the Receiver should not expect the payment funds to be transferred into the Receiver's Eligible Transaction Account any earlier than the next Business Day following the specified date. In addition, in the case of all Two-Step Transfers, the deposit of the payment funds into the Receiver's Eligible Transaction Account (even if debited or withdrawn from your Eligible Transaction Account) may be delayed if the Receiver has not

enrolled in Zelle®. The Site may contain additional information regarding the delivery of a payment to an Eligible Transaction Account.

- f. As to Recipients who have not yet enrolled with Zelle®, you acknowledge and agree that we will begin to process the requested transfer of funds once the Receiver has provided (or we otherwise obtain) all required information, and you hereby authorize and direct us to retain such funds until the earlier of such time as the Receiver has provided (or we otherwise obtain) all required information or fourteen (14) days have elapsed. You further acknowledge and agree that our receipt of money to be transmitted to a Receiver shall not be deemed to have occurred and our obligation to complete a Payment Instruction shall not begin until such time as the Receiver provides us with (or we otherwise obtain) all required information necessary to process the related Payment Instruction in accordance with this Agreement.

4. Receiving Payments.

- a. All transfers of money to you shall be performed by a Network Financial Institution per the direction of that Network Financial Institution customer and at all times subject to the terms and conditions of the relevant service agreement between that Network Financial Institution and its customer, including without limitation any restrictions or prohibitions on permissible transactions. Once a User initiates a transfer of money to your email address, mobile phone number, or Zelle® tag enrolled with the Zelle® Payment Service, you have no ability to stop the transfer. Other Payment Service payments may be cancelled by the Sender as set forth in Section 6 (Payment Cancellation, Stop Payment Requests and Refused Payments) below. By using the Zelle® Payment Service, you agree and authorize us to initiate credit entries to the bank account you have enrolled. If another person wants to initiate a Payment Instruction (including in response to a Zelle® Payment Request, if applicable) using the Zelle® Payment Service to an Eligible Transaction Account you hold or, as applicable, if you as a Requestor want to initiate a Zelle® Payment Request, he, she or you can do that from the Site or from an Eligible Transaction Account at a financial institution that participates in the Zelle® Payment Service or at a Zelle® Standalone Location. If you are receiving a payment from a business or government agency, your payment will be delivered in accordance with both this Agreement and the procedures of the business or government agency that is sending you the payment.
- b. For the Zelle® Payment Service, most transfers of money to you from other Users will occur within minutes. There may be other circumstances when the payment may take longer. For example, in order to protect you, us, Zelle® and the other Network Financial Institutions, we may need or Zelle® may need additional time to verify your identity or the identity of the person sending the money. We may also delay or block the transfer to prevent fraud or to meet our regulatory obligations. If we delay or block a payment that you have initiated through a request for money, we will notify you in accordance with your User preferences (i.e., email, push notification). You understand and agree that there may be a delay between the time you are notified of the pending Payment Instruction and the deposit of the payment funds into your Eligible Transaction Account, and you may be required to take additional steps to facilitate the deposit of the payment of funds into your Eligible Transaction Account, such as if we have questions regarding possible fraud in connection with the payment. You authorize the Sender, the financial institution which holds the Sender's Eligible Transaction Account and us (including through the Site) to send emails to you and text messages to your mobile phone in connection with the Sender's initiation of Payment Instructions to you, and, as a Receiver, you may receive Zelle® Payment Requests, from others through the Zelle® Payment Service.
- c. You acknowledge and agree that in the event that funds are transferred into your Eligible Transaction Account as a result of a Payment Instruction and it is determined that such transfer was improper because it was not authorized by the sender, because there were not sufficient funds in the sender's account, or for any other reason, then you hereby authorize us or our Service Provider to withdraw from your Eligible Transaction Account an amount equal to the amount of funds improperly transferred to you.

- 5. Requesting Payments.** You may request money from another User through a Zelle® Payment Request. You understand and acknowledge that Users to whom you send payment requests may reject or ignore your request. Neither we nor Zelle® guarantee that you will receive money from other Users by sending a Zelle® Payment Request, or that you will receive the amount that you request. Neither we nor Zelle® accept responsibility if the other User rejects or ignores your request, or sends you an amount that is less than you request. If a User ignores your request, we may decide or Zelle® may decide, in our sole discretion, that we will not send a reminder or repeat request to that User.

In addition to the other restrictions in this Agreement, by accepting this Agreement, you agree that you are not engaging in the business of debt collection by attempting to use the Zelle® Payment Service to request money for the payment or collection of an overdue or delinquent debt; to request money that is owed to another person; or to collect any amounts that are owed pursuant to a court order. You agree to indemnify, defend and hold harmless Zelle®, its owners, directors, officers, agents and Network Financial Institutions from and against all claims, losses, expenses, damages and costs (including, but not limited to, direct, incidental, consequential, exemplary and indirect damages), and reasonable attorney's fees, resulting from or arising out of any Zelle® Payment Request that you send that is related to overdue or delinquent amounts. You agree to receive Zelle® Payment Requests from other Users, and to only send Zelle® Payment Requests for legitimate and lawful purposes. Zelle® Payment Requests are solely between the Requestor and recipient and are not reviewed or verified by us or by Zelle®. Neither we nor Zelle® assume responsibility for the accuracy or legality of such requests and do not act as a debt collector on your behalf or on behalf of the Requestor. We reserve the right, but assume no obligation, to terminate your ability to send Zelle® Payment Requests in general, or to specific recipients, if we deem such Zelle® Payment Requests to be potentially unlawful, abusive, offensive or unwelcome by the recipient.

If applicable, if you as a Requestor initiate a Zelle® Payment Request using the Zelle® Payment Service, you acknowledge and agree that as disclosed on the Site (a) the applicable service fee will be deducted from payments received by you from a Sender(s), and (b) no service fee will be charged if you as the Requestor do not receive any payments from the individuals to whom the Zelle® Payment Request is sent. Further details about the foregoing can be found on the Site. You acknowledge and agree that individuals to whom you send a Zelle® Payment Request may not receive, or otherwise may reject or ignore, your Zelle® Payment Request. We do not guarantee that you will receive any payments from individuals by initiating a Zelle® Payment Request.

Zelle® Small Business Service Users may not send Zelle® Payment Requests to Users enrolled with Zelle® through Zelle® Standalone Locations.

- 2. Payment Cancellation, Stop Payment Requests and Refused Payments.** This Section only applies to the Other Payment Services and those Zelle® Payment Services transactions that can be cancelled in the limited circumstances set forth in Section 3(a) (Sending Payments) above. Sender may cancel the initiation of a Payment Instruction or stop a Payment Instruction at any time until the processing of the Payment Instruction into the Receiver's Eligible Transaction Account has begun. Our ability to stop a Payment Instruction or recover funds associated with an unauthorized Payment Instruction will depend on the manner in which the Payment Instruction was initiated, and whether the Payment Instruction to the Receiver's Eligible Transaction Account has begun processing. Although we will make a reasonable effort to accommodate a stop payment request and to recover funds associated with an unauthorized Payment Instruction, we will have no liability for failing to do so. We may also require you to present your stop payment request or request to recover funds in writing within fourteen (14) days after contacting customer care. If we charge you to stop the payment or recover funds, then the charge for each stop payment or fund recovery request will be the current charge as set out in our current fee schedule. Payments not claimed by a Receiver who has not enrolled in Zelle® will be automatically cancelled fourteen (14) days after the processing of the payment begins. We will, to the extent permitted by law, make reasonable attempts to return any unclaimed, refused, refunded, prohibited, or denied payment to your Eligible Transaction Account or use other reasonable efforts to return such payment to you as permitted by law.
- 3. Consent to Emails and Automated Text Messages.** Section 8 (Text Messages, Calls and/or Emails to You) of the General Terms does not apply to Zelle® Payment Services. By participating as a User, you represent that you are the owner of the email address, mobile phone number, Zelle® tag, and/or other alias you enrolled, or that you have the delegated legal authority to act on behalf of the owner of such email address, mobile phone number, Zelle® tag and/or other alias to send or receive money as described in these Zelle® and Other Payment Terms. You consent to the receipt of emails or text messages from us, from Zelle®, from other Users that are sending you money or requesting money from you, and from other Network Financial Institutions or their agents regarding the Zelle® and Other Payment Services or related transfers between Network Financial Institutions and you. You agree that we may, Zelle® may or either of our agents may use automatic telephone dialing systems in connection with text messages sent to any mobile phone number you enroll. You further acknowledge and agree:

- a. You are responsible for any fees or other charges that your wireless carrier may charge for any related data, text or other message services, including without limitation for short message service. Please check your mobile service agreement for details or applicable fees, as message and data rates may apply.
 - b. You will immediately notify us if any email address or mobile number you have enrolled is (i) surrendered by you, or (ii) changed by you.
 - c. In the case of any messages that you may send through either us or Zelle® or that we may send or Zelle® may send on your behalf to an email address or mobile phone number, you represent that you have obtained the consent of the recipient of such emails or automated text messages to send such emails or text messages to the recipient. You understand and agree that any emails or text messages that we send or that Zelle® sends on your behalf may include your name.
 - d. Your wireless carrier is not liable for any delay or failure to deliver any message sent to or from us or Zelle®, including messages that you may send through us or through Zelle® or that we may send or Zelle® may send on your behalf.
 - e. To cancel text messaging from us, send STOP to 767666. For help or information regarding text messaging, send HELP to 767666 or contact our customer service at 844-884-5386. You expressly consent to receipt of a text message to confirm your "STOP" request.
 - f. Supported Carriers: AT&T, Sprint, T-Mobile, Verizon and others.
 - g. Your phone service provider is not the provider of the Zelle® and Other Payment Services. Users of the Zelle® Payment Service will receive text messages relating to their Payment Instructions and other notices from time to time if a mobile phone number is provided. Data and messaging charges from your telecommunications provider may apply, and you are responsible for any such charges. In the event your enrolled mobile device is lost or stolen, you agree to update your enrollment information and make the appropriate changes to disable the use of such device. You understand that there are risks associated with using a mobile device, and that in the event of theft or loss, your confidential information could be compromised.
- 4. Service Fees and Additional Charges.** You are responsible for paying all fees associated with your use of the Zelle® and Other Payment Services. Applicable fees will be disclosed in the user interface for, or elsewhere within, the Zelle® and Other Payment Services or Site. Additional fees may apply for small business Users enrolled in the Zelle® Small Business Service. YOU FURTHER ACKNOWLEDGE AND AGREE THAT ANY APPLICABLE FEES WILL BE CHARGED REGARDLESS OF WHETHER THE PAYMENT INSTRUCTION IS COMPLETED, UNLESS THE FAILURE TO COMPLETE THE INSTRUCTION IS SOLELY DUE TO OUR FAULT, except for those fees that are specifically use-based, such as Zelle® Payment Requests, if applicable. There may be a charge for additional transactions and other optional services. You agree to pay such charges and authorize us to deduct the calculated amount from your designated Eligible Transaction Account for these amounts and any additional charges that may be incurred by you. Any financial fees associated with your standard deposit accounts (or Other Eligible Transaction Accounts) will continue to apply. You are responsible for any and all telephone access fees and Internet service fees that may be assessed by your telephone and Internet service provider. Section 18 of the General Terms (Failed or Returned Payment Instructions) applies if you do not pay our fees and charges for the Zelle® and Other Payment Services, including without limitation if we debit the Eligible Transaction Account for such fees, as described in this Section, and there are insufficient fees in the Eligible Transaction Account.
- 5. Refused Payments.** We reserve the right to refuse to pay any Receiver. We will attempt to notify the Sender promptly if we decide to refuse to pay a Receiver designated by the Sender. This notification is not required if you attempt to make a prohibited payment under this Agreement.
- 6. Returned Payments.** In using the Zelle® and Other Payment Services, you understand that Receivers may reject Payment Instructions or otherwise return payments only if the Receiver is not enrolled in Zelle®. We will use reasonable efforts to complete Payment Instructions initiated through the Zelle® Payment Service.
- 7. Consent to Share Personal Information (Including Account Information).** In addition to Section 20 (Information Authorization) of the General Terms, by accepting this Agreement, you consent to our disclosure

of your personal information (including bank account information) as necessary to complete payment transactions in accordance with our customary processes and procedures, which may include, without limitation, the following:

- a. As necessary to resolve a problem related to a transfer or payment between you and another User;
- b. To verify the existence of your bank account, or debit card, as applicable;
- c. To comply with government agency or court orders;
- d. To our affiliates, as permitted by law;
- e. To verify your identity for purposes of compliance with applicable laws, including without limitation the USA PATRIOT Act;
- f. To comply with inquiries in connection with fraud prevention or any investigation;
- g. For our general business purposes, including without limitation data analysis and audits; or
- h. As otherwise permitted by the terms of our Privacy Policy.

8. Wireless Operator Data. In addition to Section 20 (Information Authorization) of the General Terms, you acknowledge that we or Zelle® may use information on file with your wireless operator to further verify your identity and to protect against or prevent actual or potential fraud or unauthorized use of the Service. By using the Zelle® Payment Service, you authorize your wireless operator (AT&T, Sprint, T-Mobile, US Cellular, Verizon, or any other branded wireless operator) to disclose your mobile number, name, address, email, network status, customer type, customer role, billing type, mobile device identifiers (IMSI and IMEI) and other subscriber status and device details, if available, to us or our Service Providers solely to allow verification of your identity and to compare information you have provided to us or to Zelle®'s with your wireless operator account profile information for the duration of our business relationship. See Zelle®'s Privacy Policy at <https://www.zellepay.com/privacy-policy> for how it treats your data. Please review our Privacy Policy in order to better understand our commitment to maintaining your privacy, as well as our use and disclosure of your information.

9. Liability. Subject to our obligations under applicable laws and regulations, neither we nor Zelle® shall have liability to you for any transfers of money, including without limitation, (i) any failure, through no fault of us or Zelle® to complete a transaction in the correct amount, or (ii) any related losses or damages. Neither we nor Zelle® shall be liable for any typos or keystroke errors that you may make when using the Zelle® Payment Service. THE SERVICE IS INTENDED FOR SENDING MONEY TO FAMILY, FRIENDS AND OTHERS WHOM YOU TRUST. YOU SHOULD NOT USE ZELLE® TO SEND MONEY TO PERSONS WITH WHOM YOU ARE NOT FAMILIAR OR YOU DO NOT TRUST. ZELLE® DOES NOT OFFER A PROTECTION PROGRAM FOR AUTHORIZED PAYMENTS MADE THROUGH THE SERVICE (FOR EXAMPLE, IF YOU DO NOT RECEIVE THE GOODS OR SERVICES THAT YOU PAID FOR, OR THE GOODS OR SERVICES THAT YOU RECEIVED ARE DAMAGED OR ARE OTHERWISE NOT WHAT YOU EXPECTED).

10. Disclaimer of Warranties. Section 32 (Exclusions of Warranties) of the General Terms does not apply to Zelle® Payment Services. EXCEPT AS OTHERWISE PROVIDED HEREIN, AND SUBJECT TO APPLICABLE LAW, ZELLE® MAKES NO EXPRESS OR IMPLIED WARRANTIES, REPRESENTATIONS OR ENDORSEMENTS WHATSOEVER WITH RESPECT TO THE ZELLE® PAYMENT SERVICE. ZELLE® EXPRESSLY DISCLAIMS ALL WARRANTIES OF ANY KIND, EXPRESS, IMPLIED, STATUTORY OR OTHERWISE, INCLUDING, BUT NOT LIMITED TO, IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE AND NON-INFRINGEMENT, WITH REGARD TO THE ZELLE® PAYMENT SERVICE DESCRIBED OR PROVIDED. ZELLE® DOES NOT WARRANT THAT THE ZELLE® PAYMENT SERVICE WILL BE UNINTERRUPTED, TIMELY, INVULNERABLE TO CYBER ATTACK OR ERROR-FREE, OR THAT DEFECTS WILL BE CORRECTED. THE ZELLE® PAYMENT SERVICES ARE PROVIDED ON AN "AS IS" AND "AS AVAILABLE" BASIS.

11. Limitation of Liability. Section 33 (Limitation of Liability) of the General Terms does not apply to Zelle® Payment Services. EXCEPT AS OTHERWISE PROVIDED HEREIN AND SUBJECT TO APPLICABLE LAW, IN NO EVENT WILL WE, ZELLE®, ITS OWNERS, DIRECTORS, OFFICERS, AGENTS OR NETWORK FINANCIAL INSTITUTIONS BE LIABLE FOR ANY DAMAGES WHATSOEVER, INCLUDING, BUT NOT LIMITED TO ANY DIRECT, INCIDENTAL, CONSEQUENTIAL, SPECIAL, EXEMPLARY OR OTHER INDIRECT DAMAGES ARISING OUT OF (I) ANY TRANSACTION CONDUCTED THROUGH OR FACILITATED BY THE ZELLE® PAYMENT SERVICE; (II) ANY CLAIM ATTRIBUTABLE TO ERRORS, OMISSIONS, OR OTHER INACCURACIES IN THE ZELLE® PAYMENT SERVICES DESCRIBED OR PROVIDED; (III) UNAUTHORIZED ACCESS TO OR ALTERATION OF YOUR

TRANSMISSIONS OR DATA; OR (IV) ANY OTHER MATTER RELATING TO THE ZELLE® PAYMENT SERVICES DESCRIBED OR PROVIDED, EVEN IF WE OR ZELLE® HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. IF YOU ARE DISSATISFIED WITH THE ZELLE® PAYMENT SERVICE OR WITH THE TERMS OF THIS AGREEMENT, YOUR SOLE AND EXCLUSIVE REMEDY IS TO DISCONTINUE USING THE ZELLE® PAYMENT SERVICES.

IN THOSE STATES WHERE THE EXCLUSION OR LIMITATION OF LIABILITY FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES MAY NOT APPLY, ANY LIABILITY OF OURS, ZELLE®, ITS OWNERS, DIRECTORS, OFFICERS AND AGENTS OR THE NETWORK FINANCIAL INSTITUTIONS LIABILITY IN THOSE STATES IS LIMITED AND WARRANTIES ARE EXCLUDED TO THE GREATEST EXTENT PERMITTED BY LAW, BUT SHALL, IN NO EVENT, EXCEED ONE HUNDRED DOLLARS (\$100.00).

- 12. Indemnification.** Section 29 (Indemnification) of the General Terms does not apply to Zelle® Payment Services. You acknowledge and agree that you are personally responsible for your conduct while using the Zelle® Payment Service and except as otherwise provided in this Agreement, you agree to indemnify, defend and hold harmless Zelle®, its owners, directors, officers, agents and Network Financial Institutions from and against all claims, losses, expenses, damages and costs (including, but not limited to, direct, incidental, consequential, exemplary and indirect damages), and reasonable attorney's fees, resulting from or arising out of your use, misuse, errors or inability to use the Zelle® Payment Service, or any violation by you of the terms of this Agreement.
- 13. Use of Our Online Banking Site and/or Mobile App.** You agree to access the Site in compliance with our terms and conditions that we make available elsewhere on the Site, which are incorporated into and made part of this Agreement by this reference.
- 14. Your Liability for Unauthorized Transfers.** Section 16 (Your Liability for Unauthorized Transfers) of the General Terms shall not apply to the Zelle® Payment Service. Immediately following your discovery of an unauthorized Zelle® Payment Service Payment Instruction, you shall communicate with customer service in the manner set forth in Section 6 of the General Terms above. You acknowledge and agree that time is of the essence in such situations. The best way to minimize your loss is to call us immediately. You will have no liability for unauthorized transactions if you notify us within sixty (60) days after your monthly financial institution statement which shows the unauthorized transaction has been sent to you. If you do not tell us within sixty (60) days after the statement was sent to you, you may lose any amount transferred without your authorization after the sixty (60) days if we can prove that we could have stopped someone from taking the money had you told us in time. If a good reason (such as a long trip or a hospital stay) prevented you from telling us, we will extend the time periods specified above to a reasonable period.

When you give someone your password or other means to access your account through which you access the Zelle® and Other Payment Services, you are authorizing that person to use your service, and you are responsible for all transactions that person performs while using your service. All transactions that person performs, even those transactions you did not intend or want performed, are authorized transactions. Additionally, transactions that you or someone acting with you initiates with fraudulent intent are also authorized transactions.

Note: These liability rules only apply to Eligible Transaction Accounts used for personal, family and household purposes.

15. Content Standards; Zelle® Tags.

- a. Content Standards: You agree that you will not upload or provide content or otherwise post, transmit, distribute, or disseminate through the Zelle® Payment Service any material that: (1) is false, misleading, unlawful, obscene, indecent, lewd, pornographic, defamatory, libelous, threatening, harassing, hateful, abusive, or inflammatory; (2) encourages conduct that would be considered a criminal offense or gives rise to civil liability; (3) breaches or infringes any duty toward or rights of any person or entity, including rights of publicity, privacy or intellectual property; (4) contains corrupted data or any other harmful, disruptive, or destructive files; (5) advertises products or services competitive with Zelle®, as determined by Zelle® in its sole discretion; or (6) in Zelle®'s or our sole judgment, is objectionable, restricts or inhibits any person or entity from using or enjoying any portion of the Zelle® Payment Service, or which may expose us, Zelle® or our respective affiliates or

customers to harm or liability of any nature.

- b. Although neither we nor Zelle® have any obligation to monitor any content, both we and Zelle® have absolute discretion to remove content at any time and for any reason without notice. We and Zelle® may also monitor such content to detect and prevent fraudulent activity or violations of the terms and conditions. You understand that by using the Zelle® Payment Service, you may be exposed to content that is offensive, indecent, or objectionable. We and Zelle® are not responsible for, and assume no liability, for any content, including any loss or damage to any of your content. We and Zelle® make no representation or warranty that content uploaded to a User profile accurately identifies a particular User of the Zelle® Payment Service.
- c. The Zelle® Payment Service may include functionality for you to add a unique alpha-numeric identifier to your registered User profile to be used in lieu of your phone number or email address when sending or receiving money, which will be your "Zelle® tag." You will be limited to one Zelle® tag per bank account, and each Zelle® tag must have one U.S. mobile phone number or email address associated with it. Your Zelle® tag must meet the Content Standards. You may not select a Zelle® tag that misleads or deceives other Users of the Zelle® Payment Service as to your identity, or otherwise. Although neither we nor Zelle® have any obligation to monitor User Zelle® tags, both we and Zelle® have absolute discretion to remove a User Zelle® tag at any time and for any reason without notice. We and Zelle® may require you to change your Zelle® tag in our sole discretion, and we may elect to make a Zelle® tag unavailable to you, without any liability to you. We and Zelle® may also monitor User Zelle® tags to detect and prevent fraudulent activity or violations of the terms and conditions. You understand that by using the Zelle® Payment Service, you may be exposed to a Zelle® tag that is offensive, indecent, or objectionable. We and Zelle® are not responsible for, and assume no liability, for any User Zelle® tags, including any loss or damage caused thereby. We and Zelle® make no representation or warranty that a User Zelle® tag accurately identifies a particular User of the Zelle® Payment Service. We respect the intellectual property of others and require that users of the Zelle® Payment Service comply with relevant intellectual property laws, including copyright and trademark laws. We may, in appropriate circumstances and at our discretion, limit or terminate the use of our products or services for users who use or publish content on the Zelle® Payment Service that is subject to intellectual property rights claims.

16. Arbitration. You acknowledge and agree that for any claims or disputes you assert against Zelle® and Early Warning Services, LLC, Zelle® and Early Warning Services, LLC are entitled to enforce;

The parties acknowledge that remedies available under federal, state and local laws remain available through arbitration. Bill Pay Service Additional Terms

- 1. Description of Service.** The term "Bill Pay Terms" means these Bill Pay Service Additional Terms. The Bill Pay service (for purposes of these Bill Pay Terms, and the General Terms as they apply to these Bill Pay Terms, the "Service") enables you to receive, view, and pay bills from the Site.
- 2. Payment Scheduling.** The earliest possible Scheduled Payment Date for each Biller will be designated within the portion of the Site through which the Service is offered when you are scheduling the payment. Therefore, the Service will not permit you to select a Scheduled Payment Date less than the earliest possible Scheduled Payment Date designated for each Biller. When scheduling payments you must select a Scheduled Payment Date that is no later than the actual Due Date reflected on your Biller statement unless the Due Date falls on a non-Business Day. If the actual Due Date falls on a non-Business Day, you must select a Scheduled Payment Date that is at least one (1) Business Day before the actual Due Date. Scheduled Payment Dates must be prior to any late date or grace period. Depending on the method of payment, your Eligible Transaction Account may be debited prior to the Scheduled Payment Date. For example, if the selected method of payment is a draft check drawn on your account, the draft check arrives earlier than the Scheduled Payment Date due to expedited delivery by the postal service, and the Biller immediately deposits the draft check, your Eligible Transaction Account may be debited earlier than the Scheduled Payment Date.
- 3. The Service Guarantee.** Due to circumstances beyond the control of the Service, particularly delays in handling and posting payments by Billers or financial institutions, some transactions may take longer to be credited to your account. The Service will bear responsibility for any late payment related charges up to \$50.00 should a payment post after its Due Date as long as the payment was scheduled in accordance with Section 2 of the Bill Pay Terms (Payment Scheduling).
- 4. Payment Authorization and Payment Remittance.** By providing the Service with names and account information of Billers to whom you wish to direct payments, you authorize the Service to follow the Payment Instructions that it receives through the Site. In order to process payments more efficiently and effectively, the Service may edit or alter payment data or data formats in accordance with Biller directives.

When the Service receives a Payment Instruction, you authorize the Service to debit your Eligible Transaction Account and remit funds on your behalf so that the funds arrive as close as reasonably possible to the Scheduled Payment Date designated by you. You also authorize the Service to credit your Eligible Transaction Account for payments returned to the Service by the United States Postal Service or Biller, or payments remitted to you on behalf of another authorized user of the Service.

The Service will attempt to make all your payments properly. However, the Service shall incur no liability and any Service Guarantee (as described in Section 3 of the Bill Pay Terms) shall be void if the Service is unable to complete any payments initiated by you because of the existence of any one or more of the following circumstances:

1. If, through no fault of the Service, your Eligible Transaction Account does not contain sufficient funds to complete the transaction or the transaction would exceed the credit limit of your overdraft account;
2. The payment processing center is not working properly, and you know or have been advised by the Service about the malfunction before you execute the transaction;
3. You have not provided the Service with the correct Eligible Transaction Account information, or the correct name, address, phone number, or account information for the Biller; and/or,
4. Circumstances beyond control of the Service (such as, but not limited to, fire, flood, or interference from an outside force) prevent the proper execution of the transaction and the Service has taken reasonable precautions to avoid those circumstances.

Provided none of the foregoing exceptions are applicable, if the Service causes an incorrect amount of funds to be removed from your Eligible Transaction Account or causes funds from your Eligible Transaction Account to be directed to a Biller which does not comply with your Payment Instructions, the Service shall be responsible for returning the improperly transferred funds to your Eligible Transaction Account, and for directing to the proper Biller any previously misdirected transactions, and, if applicable, for any late payment related charges.

5. **Payment Cancellation Requests.** You may cancel or edit any Scheduled Payment (including recurring payments) by following the directions within the portion of the Site through which the Service is offered. There is no charge for canceling or editing a Scheduled Payment. Once the Service has begun processing a payment it cannot be cancelled or edited, therefore a stop payment request must be submitted.
6. **Stop Payment Requests.** The Service's ability to process a stop payment request will depend on the payment method and whether or not a check has cleared. The Service may also not have a reasonable opportunity to act on any stop payment request after a payment has been processed. If you desire to stop any payment that has already been processed, you must contact customer service for the Service in the manner set forth in Section 6 of the General Terms above. Although the Service will attempt to accommodate your request, the Service will have no liability for failing to do so. The Service may also require you to present your request in writing within fourteen (14) days. The charge for each stop payment request will be the current charge for such service as set out in the applicable fee schedule.
7. **Exception Payments Requests.** Exception Payments may be scheduled through the Service; however, Exception Payments are discouraged and must be scheduled at your own risk. Except as required by applicable law, in no event shall the Service be liable for any claims or damages resulting from your scheduling of Exception Payments. The Service Guarantee (as described in Section 3 of these Bill Pay Terms) does not apply to Exception Payments.
8. **Bill Delivery and Presentment.** The Service includes a feature that electronically presents you with electronic bills from select Billers. Electronic bills may not be available from all of your Billers. Electronic bills are provided as a convenience only, and you remain solely responsible for contacting your Billers directly if you do not receive their statements. In addition, if you elect to activate one of the Service's electronic bill options, you also agree to the following:
 - a) Presentation of electronic bills – You will receive electronic bills from a Biller only if both: (a) you have designated it in the Service as one of your Billers, and (b) the Biller has arranged with our Service Provider to deliver electronic bills. The Service may then present you with electronic bills from that Biller if either: (1) you affirmatively elect online within the Service to receive electronic bills from the Biller, or (2) the Biller chooses to send you electronic bills on a temporary “trial basis.” In either case, you can elect online within the Service to stop receiving electronic bills from a Biller. Electing to receive electronic bills, automatically receiving trial electronic bills, and declining further elected or trial electronic bills all occur on an individual Biller basis. The Service does not include an option to prevent ever participating in the automatic trial electronic bill feature. When affirmatively electing to receive electronic bills from a particular Biller, you may be presented with terms from that Biller for your acceptance. We are not a party to such terms.

- b) Paper Copies of electronic bills – If you start receiving electronic bills from a Biller, the Biller may stop sending you paper or other statements. The ability to receive a paper copy of your statement(s) is at the sole discretion of the Biller. Check with the individual Biller regarding your ability to obtain paper copies of electronic bills on a regular or as-requested basis.
- c) Sharing Information with Billers – You authorize us to share identifying personal information about you (such as name, address, telephone number, Biller account number) with companies that you have identified as your Billers and which we have identified as offering electronic bills for purposes of matching your identity on the Service’s records and the Biller’s records to (a) activate your affirmative request for electronic bills, and/or (b) confirm your eligibility for “trial basis” electronic bills.
- d) Information held by the Biller. We are unable to update or change your personal information such as, but not limited to, name, address, phone numbers and email addresses that is held by the Biller. Any changes will require you to contact the Biller directly. Additionally, it is your responsibility to maintain all usernames and passwords for all electronic Biller sites. You also agree not to use someone else’s information to gain unauthorized access to another person’s bill. We may, at the request of the Biller, provide to the Biller your email address, service address, or other data specifically requested by the Biller for purposes of the Biller matching your identity against its records or informing you about the Biller’s services and/or bill information.
- e) Activation. We will notify the Biller of your request to receive electronic billing information. The presentment of your first electronic bill may vary from Biller to Biller and may take up to sixty (60) days, depending on the billing cycle of each Biller. While your electronic bill feature is being activated it is your responsibility to keep your accounts current. Each electronic Biller reserves the right to accept or deny your request to receive electronic bills.
- f) Authorization to obtain bill data. You authorize us to obtain bill data from your Billers that you have requested to send you electronic bills, and from your Billers that wish to send you trial electronic bills. For some Billers, you will be asked to provide us with your user name and password for that Biller. By providing us with such information, you authorize us to use the information to obtain your bill data.
- g) Notification. We will attempt to present all of your electronic bills promptly. In addition to notification within the Service, we may send an email notification to the email address listed for your account. It is your sole responsibility to ensure that this information is accurate. In the event you do not receive notification, it is your responsibility to periodically logon to the Service and check on the delivery of new electronic bills. The time for notification may vary from Biller to Biller. You are responsible for ensuring timely payment of all bills.
- h) Cancellation of electronic bill notification. The electronic Biller reserves the right to cancel the presentment of electronic bills at any time. You may cancel electronic bill presentment at any time. The timeframe for cancellation of your electronic bill presentment may vary from Biller to Biller. It may take up to sixty (60) days, depending on the billing cycle of each Biller. We will notify your electronic Biller(s) as to the change in status of your account and it is your sole responsibility to make arrangements for an alternative form of bill delivery. We will not be responsible for presenting any electronic bills that are already in process at the time of cancellation.
- i) Non-Delivery of electronic bill(s). You agree to hold us harmless should the Biller fail to deliver your statement(s). You are responsible for ensuring timely payment of all bills. Copies of previously delivered bills must be requested from the Biller directly.
- j) Accuracy and dispute of electronic bill. We are not responsible for the accuracy of your electronic bill(s). We are only responsible for presenting the information we receive from the Biller. Any discrepancies or disputes regarding the accuracy of your electronic bill summary or detail must be directly addressed and resolved with the Biller by you.

This Agreement does not alter your liability or obligations that currently exist between you and your Billers.

- 9. Disclosure of Account Information to Third Parties.** It is our general policy to treat your account information as confidential. However, we will disclose information to third parties about your account or the transactions

you make in the following situations pursuant to our Privacy Policy (as further described in Section 10 (Your Privacy) of the General Terms), in addition to the circumstances set forth in Section 20 of the General Terms (Information Authorization):

- a. Where it is necessary for completing transactions;
- b. Where it is necessary for activating additional services;
- c. In order to verify the existence and condition of your account to a third party, such as a credit bureau or Biller;
- d. To a consumer reporting agency for research purposes only;
- e. In order to comply with a governmental agency or court orders; or,
- f. If you give us your written permission.

10. Service Fees and Additional Charges. You are responsible for paying all fees associated with your use of the Service. Applicable fees will be disclosed in the user interface for, or elsewhere within, the Service or Site. Any applicable fees will be charged regardless of whether the Service was used, except for fees that are specifically use-based. Use-based fees for the Service will be charged against the Billing Account. There may also be charges for additional transactions and other optional services. There may be a charge for additional transactions and other optional services. You agree to pay such charges and authorize the Service to deduct the calculated amount from your designated Billing Account. Any financial fees associated with your standard deposit accounts will continue to apply. You are responsible for any and all telephone access fees and Internet service fees that may be assessed by your telephone and Internet service provider. Section 18 of the General Terms (Failed or Returned Payment Instructions) applies if you do not pay our fees and charges for the Service, including without limitation if we debit the Billing Account for such fees, as described in this Section, and there are insufficient funds in the Billing Account.

11. Biller Limitation. The Service reserves the right to refuse to pay any Biller to whom you may direct a payment. As required by applicable law, the Service will notify you promptly if it decides to refuse to pay a Biller designated by you as set forth in Section 13 of the General Terms (Prohibited Payments) or an Exception Payment under this Agreement.

12. Returned Payments. In using the Service, you understand that Billers and/or the United States Postal Service may return payments to the Service for various reasons such as, but not limited to, Biller's forwarding address expired; Biller account number is not valid; Biller is unable to locate account; or Biller account is paid in full. The Service will attempt to research and correct the returned payment and return it to your Biller or void the payment and credit your Eligible Transaction Account. You may receive notification from the Service.

13. Information Authorization. In addition to Section 20 of the General Terms (Information Authorization), you agree that the Service reserves the right to obtain financial information regarding your account from a Biller or your financial institution (for example, to resolve payment posting problems or for verification).

14. Bill Capture. The following Bill Capture terms and conditions in this Section 14 (Bill Capture) only apply to Bill Capture (as defined below). If Bill Capture is not available to you within our mobile banking application, then this Section 14 (Bill Capture) does not apply.

Bill Capture. Your use of our mobile banking application may include the ability to add bill payment payees by utilizing your mobile phone to take pictures of your paper bills ("Bill Capture"). Once you take the picture, Bill Capture extracts and prefills Biller information such as the name, address and account number of the Biller into our mobile banking app for use with the Service, or matches the bill to an existing Biller and prefills the amount due and due date. Bill Capture is subject to the following terms:

- a. You shall use Bill Capture only for your own use in accordance with the terms of this Agreement;
- b. We do not guarantee that your mobile device will be compatible with Bill Capture; and
- c. You bear sole responsibility for confirming that the information captured by Bill Capture matches the information on the applicable bill pay stub, and in no event will we be liable for any results from your use of extracted data from Bill Capture with the Services, including, without limitation, any late fees for payments sent to an improper Biller or improper account.

15. Bill Discovery. The following Bill Discovery terms and conditions in this Section 15 (Bill Discovery) only apply to Bill Discovery (as defined below). If Bill Discovery is not available to you from our Site, then this Section 15 (Bill Discovery) does not apply.

Bill Discovery. The bill discovery feature ("Bill Discovery") enables the automatic searching, identification, and retrieval of information about your Billers and bills based on matching information about your identity. In order to enable Bill Discovery, you will need to authorize the Service to access and use information from your consumer report from a credit bureau and/or our Biller network in order for Bill Discovery to identify potential matches. By providing your consent within the Bill Discovery portion of the Site, you authorize the Service to access and use such information until you withdraw your consent. You may withdraw your consent within the Bill Discovery portion of the Site at any time. If Bill Discovery has identified Biller matches, the Service will allow you to add these Billers to your user profile. New Billers added through Bill Discovery are subject to Section 8 (Bill Delivery and Presentment) of the Bill Payment Terms.

16. Payment Methods. In addition to the payment methods set forth in Section 15 (Payment Methods and Amounts) in the General Terms, certain Service payments may be processed using a prepaid, single-use virtual card. Single-use cards provide a fast and secure way for your payment to be delivered. Please note in the event your payment is processed using a virtual card, you will not recognize the payment method and/or card numbers on any payment confirmation communication you may receive from your Biller.

17. Definitions.

"Biller" is the person or entity to which you wish a bill payment to be directed or is the person or entity from which you receive electronic bills, as the case may be.

"Billing Account" is the checking account from which all Service fees will be automatically debited.

"Due Date" is the date reflected on your Biller statement for which the payment is due, not the late payment date or the date beginning or a date during any grace period.

"Eligible Transaction Account" is as defined in Section 35 of the General Terms, except that it shall be limited to an account that you hold with us, and from which bill payments will be debited.

"Exception Payments" means payments to deposit accounts or brokerage accounts, payments to settle securities transactions (including, without limitation, stocks, bonds, securities, futures (forex), options, or an investment interest in any entity or property).

"Scheduled Payment" is a payment that has been scheduled through the Service but has not begun processing.

18. Frequently Asked Questions.

- a. Can you explain how Bill Pay works?** Upon receiving your instructions to schedule payment(s), the Service begins to process your bill payment request so that the funds arrive as close as reasonably possible to the Scheduled Payment Date designated by you. The Service begins processing and sending your bill payment request to the Biller prior to debiting your Payment Account.

The Service reserves the right to select the method in which to remit the funds on your behalf to your Biller. Please refer to the section entitled "Payment Methods."

When the Service sends an electronic payment or an electronic to check payment, the Service will electronically debit your Payment Account on the Scheduled Payment Date. The Service allows you to have access to your funds in your Payment Account until the Scheduled Payment Date you requested.

Please note that the Service does not have access to your Payment Account balance. You are responsible to ensure the funds are available in your Payment Account on the Scheduled Payment Date.

- b. What happens if the funds are not in my Payment Account?** The Service does not have access to your Payment Account balance. If the funds are not available in your Payment Account, the Service will again attempt to debit your Payment Account. A 2nd attempt to debit your Payment Account could occur as early as the next day after the item was returned.

It is important that you ensure you have available funds in your Payment Account to cover your bill payment(s) and to avoid charges such as insufficient and/or uncollected funds charges. The Service reserves the right to freeze your Payment Account until the Service receives the funds, to utilize an outside collection agency and contact your Biller requesting the funds be returned.

You acknowledge and agree that from time to time, the *Mobile Service* may be delayed, interrupted or disrupted periodically for an indeterminate amount of time due to circumstances beyond our control including, but not limited to, any inaccuracy, interruption or delay in transmission by the telecommunications carrier used in conjunction with the Eligible Mobile Device you use to access the *Mobile Service*, or any interruption, disruption or failure in the provision of the *Mobile Service*, whether caused by strikes, power failures, equipment malfunctions or other reasons. We or a third-party licensor shall not be liable for any claim arising from or related to the *Mobile Service* caused by or arising out of any such delay, interruption, disruption or similar failure. In no event will we or any third-party online service providers or third-party licensor be liable for indirect, consequential or special damages, including lost profits, arising from your use of the *Mobile Service*, even if such damages were reasonably foreseeable and notice was given regarding them. These limitations will apply to all causes of action, whether arising from breach of contract, tort (including negligence) or any other legal theory.

IV. Relation to Other Agreements. Please refer to other sections in this Access Agreement for important information and terms and conditions concerning the use of the mobile banking *Online Service*. Your use of our *Online and Mobile Services* may also be affected by the agreements between you and us for your Activated Accounts. When your Accounts are linked to our *Online and Mobile Services*, you do not change the agreements you already have with us for your Activated Accounts. Thus, deposit accounts linked to our *Online and Mobile Services* do not change the terms and conditions of your customer agreement(s) with us, and the disclosures related thereto. Similarly, when you use our *Online and Mobile Services* to access a credit account, you do so under the terms and conditions we gave you in the agreement and disclosures for the credit account. You should review those agreements and disclosures for any applicable fees, for limitations on the number of transactions you can make, and for other restrictions that might impact your use of an Activated Account with our *Online and Mobile Services*.

V. Disclaimer of Warranties.

A. Warranties of Fitness and Merchantability. NEITHER WE, NOR ANY INFORMATION PROVIDERS, MAKE ANY WARRANTY, EXPRESS OR IMPLIED, TO YOU CONCERNING THE SOFTWARE, EQUIPMENT, BROWSER OR OTHER ONLINE OR MOBILE SERVICES INCLUDING, BUT NOT LIMITED TO, ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR PARTICULAR PURPOSE OR NON-INFRINGEMENT OF THIRD-PARTY RIGHTS, UNLESS DISCLAIMING SUCH WARRANTY IS PROHIBITED BY LAW.

B. Computer and Mobile-Related Warranties. Neither we nor any information provider makes any form of warranty against, nor shall we or any information provider be liable in any manner for, any computer or mobile device virus or software-related problems which may be attributable to our *Online and Mobile Services* provided in connection with this Access Agreement.

VI. Security Procedures.

A. In General. As a part of security procedures, we have established in connection with our *Online and Mobile Services*, and to access and use any Account, at time of enrollment you will be prompted to select your Sign-On ID and your password. These credentials will give you access to your Activated Accounts. For added security, you may periodically be prompted to enter a validation code up login. At any time you choose, you may change your Password by clicking "Forgot Sign-On ID or Password" located on the sign-on page, and you may change your Password as often as you choose.

YOU ARE RESPONSIBLE FOR KEEPING YOUR SIGN-ON ID, PASSWORD, ACCOUNT NUMBERS AND OTHER ACCOUNT DATA CONFIDENTIAL. For security purposes, it is recommended that you memorize your Sign-On ID, and your Password. Do not write them down. You agree that you will create a unique Password and for security purposes acknowledge that you will not be permitted to utilize your Sign-On ID, or the word 'Password,' as your Password. You agree that you will not, under any circumstances, disclose your Password to anyone, including anyone claiming to represent us. You acknowledge that no one from the Bank will ever ask you for your Password, and that our employees do not need your Password for any reason.

As an additional aspect of these security procedures, you agree that we are entitled to act upon instructions we receive with respect to any *Online Service* or *Mobile Service* transaction under your Sign-On ID and Password or activated through the biometric identifier feature on your mobile device (individually and collectively, your "PIN"). You are liable for all transactions made or authorized with the use of your PIN (except as your liability may be limited by law). We have no responsibility for establishing the identity of any person who uses your PIN. You agree that if you give your PIN to anyone or fail to safeguard its secrecy, you do so at your own risk since anyone with your PIN will have access to your accounts. **You agree that the PIN is a commercially reasonable security procedure and that for security purposes you will keep your PIN in a secure location and will only provide your PIN to those persons authorized to access our *Online and Mobile Services*. You also agree to establish and maintain all reasonable precautions to ensure the security of your PIN so that no one else learns your PIN except for persons you authorize to access our *Online and Mobile Services*.** You understand and agree that any person having access to your Sign-On ID and Password will be able to access our *Online and Mobile Services* to perform transactions, which may include reviewing Account information and making transfers to other Accounts and to other persons, and that you will be responsible for all such activity (except as your liability may be limited by law).

You acknowledge we may require you to authenticate you are the individual accessing our *Online or Mobile Service*. You may be required to provide a one-time code that we will send to you by either email or text message to enter as confirmation for the activity being requested.

You will have the ability to log into the *AmericanBank Mobile App* by using the biometric identifier technology with an Eligible Mobile Device. If you have enabled the biometric identifier feature on your Eligible Mobile Device and your device is eligible, then, after initially authenticating your device with us, you will be able to use your biometric identifier each subsequent time you use our Mobile App.

Not all devices with biometric identifier technology are supported. We are not responsible for the availability, functionality, and/or security of your stored biometric identifier on your device nor do we, at any time, have access to your biometric identifier when you access your accounts through our Mobile App using your biometric identifier. For more information about the biometric identifier feature on your device, please see the relevant privacy and security policies provided by your device manufacturer, operating system provider, or mobile carrier on the use and storage of your biometric identifier, how to set-up your device and other authentication information.

Remember that even after your Eligible Mobile Device has been properly registered with us, if the biometric identifier feature on your Eligible Mobile Device fails to connect with our Mobile App, you can always gain access to your Account through your Sign-On ID and Password.

If you allow any other person's biometric identifier to be associated with an Eligible Mobile Device that you have registered to enable access to your Account, you are authorizing that person to access and engage in transactions through your *Mobile Service* to the same extent as if you shared your Sign-On ID and Password with that person. Enabling biometric identifier technology on an Eligible Mobile Device you share with another person is strongly discouraged. We firmly advise against allowing others to store biometric identifiers on your device.

Finally, as a part of our Security Procedures, you agree that you will not: (i) give out your Account information or PIN other than as provided in this Access Agreement; (ii) leave your PC or mobile device unattended while you are using our *Online and Mobile Services*; (iii) leave your Account information within range of others; and (iv) send privileged Account information (Account number, Password, Sign-On ID, etc.) in any public or general email system. By executing this Access Agreement, you acknowledge that you have examined these Security Procedures and agree that these Security Procedures provide adequate protection to prevent unauthorized transactions from being made and that these Security Procedures are commercially reasonable. You agree to be bound by and settle for any and all transactions issued in your name in accordance and in compliance with these Security Procedures. We reserve the right to amend these Security Procedures from time to time with or without notice to you. You agree to keep these Security Procedures confidential and prevent disclosure of these Security Procedures to any third parties. You agree to indemnify, defend all claims, and hold us harmless from any loss, damages, or expenses, including but not limited to attorney's fees, caused by you.

VII. Reporting Unauthorized Transactions.

- A. Your Liability for Unauthorized Transfers.** You should notify us immediately if you believe your PIN has been lost or stolen or that someone has transferred or may transfer money from your Account through the *Online Service* or *Mobile Service* without your permission or if you suspect any fraudulent activity. The quickest way to notify us is by telephone at 610.366.1800, toll-free at 888.366.6622 or you may also notify us by: 1) sending a 'Secure Message' through the *Online Service*; 2) fax to 610.366.1900, Attn: Customer Service; or 3) write us at American Bank, Attn: Customer Service, 4029 W. Tilghman Street, Allentown, PA 18104.

If you tell us within two (2) Business Days after you discover your password or other means to access your Account has been lost or stolen, your liability is no more than \$50.00 should someone access your account without your permission. If you do not tell us within two (2) Business Days after you learn of such loss or theft, and we can prove that we could have prevented the unauthorized use of your password or other means to access your Account if you had told us, you could be liable for as much as \$500.00. If your monthly financial institution statement contains transfers that you did not authorize, you must tell us at once. If you do not tell us within sixty (60) days after the statement was mailed to you, you may lose any amount transferred without your authorization after the sixty (60) days if we can prove that we could have stopped someone from taking the money had you told us in time. If a good reason (such as a long trip or a hospital stay) prevented you from telling us, we may extend the period.

- B. Errors and Questions.** In case of errors or questions about your electronic transfers, call or write us at the telephone number or address shown below, as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared.

1. Tell us your name and account number (if any).
2. Describe the error or the transfer you are unsure about and explain as clearly as you can why you believe it is an error or why you need more information.
3. Tell us the dollar amount of the suspected error.
4. If you tell us orally, we may require that you send us your complaint or question in writing within 10 business days.

We will determine whether an error occurred within 10 business days, (5 business days for point-of-sale transactions processed by Visa and 20 business days if the transfer involved a new account) after we hear from you. We will then correct any error promptly. If we need more time, however, we may take up to 45 calendar days, (90 days if the transfer involved a new account, a point-of-sale transaction or a foreign-initiated transfer) to investigate your complaint or question. If we decide to do this, we will credit your account within 10 business

days, (5 business days for point-of-sale transactions processed by Visa and 20 business days if the transfer involved a new account) for the amount you think is in error, so that you will have use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or questions in writing and we do not receive it within 10 business days, we may not credit your account. We may withhold provisional credit for point-of-sale transactions, to the extent allowed under applicable law, if the delay is warranted by the circumstances or your account history. Your account is considered a new account for the first 30 days after the first deposit is made, unless each of you already has an established account with us before this account is opened.

We will tell you the results of our investigation within 3 business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.

VIII. Parties' Responsibilities.

A. Responsibilities of the Customer. Throughout the life of this Access Agreement, you will have the following responsibilities:

1. You must notify us in writing within 60 days after account statements are made available of any errors, discrepancies or unauthorized transactions. If you fail to do so, we will not be liable for resulting debits or charges to the Account. You agree that any suit brought based on an account error, discrepancy or unauthorized transaction must be brought within one (1) year after the date of the first account statement on which the error, discrepancy or unauthorized transaction appears.
2. Except as otherwise provided by law, you are liable for all transactions made or authorized with the use of your Sign-On ID and Password. We have no responsibility for establishing the identity of any person who uses your Password. You agree that if you give your Password to anyone, or fail to safeguard its secrecy, you do so at your own risk since anyone with your Password will have access to your accounts. You agree that if you have knowledge that the secrecy of your Password has been compromised, you will immediately notify us of that knowledge, and will immediately change your Password. Each person on a joint account will be liable for all transactions that are made on that account by all other joint holders of the account.
- By directing us, through the use of any *Online Service* or *Mobile Service* initiated with your Sign-On ID and Password, to transfer funds or make a payment of any kind you authorize us to withdraw from any designated account the amount of funds required to complete the transaction. Requests for new account services, instructions to change existing account information or services, and other communications received by us through the internet shall constitute legal endorsements and shall have the same force and effect as a writing signed by you.

B. Our Responsibilities. If we do not complete a transfer to or from your Account (or cancel a transfer properly requested) according to our agreement with you, we are liable for your losses or damages. There are some exceptions to our liability for processing transactions on your Accounts.

1. **Exceptions to Liability.** We will not be liable, for instance (i) If, through no fault of ours, you do not have enough money in the form of collected funds in your Account to make a transfer or whether due to inadvertence, error caused by similarity of accountholder names or any other mistake as long as we acted in good faith (including lost savings or profit, lost date, business interruption, or attorneys' fees); (ii) If the funds in your Account were attached or the transfer cannot be made because of legal restrictions affecting your Account, or a legal order directs us to prohibit withdrawals from your Account; (iii) Your Account is closed or frozen; (iv) The transfer would cause your balance to go over the limit for any applicable credit arrangement including those to cover overdrafts; (v) You, or anyone you allow or acting on your behalf,

commits any fraud or violates any applicable law or regulation; (vi) Your equipment or internet access was not working properly; (vii) Your internet service is interrupted (e.g., due to traffic or other disruptions); (viii) You have not properly followed the instructions for using the *Online Service* or *Mobile Service*; (ix) The transfer could not be made or completed due to system unavailability; (x) if circumstances beyond our control (such as interruption of telephone service or telecommunication facilities, or natural disaster such as a fire or flood, or weather conditions requiring us to close) prevent the transfer, despite reasonable precautions that we have taken; (xi) if you have not provided us with complete and correct payment information, including without limitation, the name, address, account number and payment amount for the recipient of a wire transfer; (xii) we close our facilities early (such as closing early immediately prior to the start of a holiday); or (xiii) any other exceptions stated in any of our agreements with you. To the extent permitted by applicable law, we will not be responsible for any error, damage or other loss caused by any service provider.

2. **Limitations on Our Liability.** You agree that we shall not be responsible for any loss, property damage or bodily injury arising out of or resulting from the failure of any person to provide you with access to our *Online Service* or *Mobile Service*, whether caused by the equipment, software, the Bank, internet service providers, internet browsers, or the parties providing communication services to or from us to you. We will not be responsible for any loss, delay, cost or liability which arises, directly or indirectly, in whole or in part, from: (i) your actions or omissions, or those of third parties which are not within our immediate and reasonable control; (ii) your negligence or breach of any agreement with us; (iii) any ambiguity, inaccuracy or omission in any instruction or information provided to us; (iv) the application of any government or funds transfer system rule, guideline, policy or regulation; or (v) our inability to confirm to our satisfaction the authority of any person to act on your behalf. We are not liable for war, acts of government that may restrict or impair use of the *Online Service* and *Mobile Service*, hurricanes, floods or other disasters, nor shall we be responsible for any direct, indirect, special or consequential, economic or other damages relating in any way to the foregoing. Our sole responsibility for an error in a transfer will be to correct the error, but in no case will we be liable for any indirect, special, incidental or consequential damages, including loss of profits, revenue, data or use by you or any third party, whether in an action in contract or tort or based on a warranty, even if we were aware of the possibility that such damages might arise.

IX. Termination. Your *Online Service*, including the *Mobile Service*, will remain in effect until terminated by you or us. *If your Online Service is terminated, your Mobile Service will automatically be terminated.* You may cancel your *Online and Mobile Service* at any time by notifying us, in writing, at American Bank, Attn: Customer Service, 4029 W. Tilghman Street, Allentown, PA 18104, of your intent to cancel. Canceling the *Online Service* automatically cancels the *Mobile Service*. This cancellation applies only to your *Online and Mobile Service* and does not terminate your other relationships with us. We may terminate this Access Agreement, and immediately either refuse to provide, or revoke access to, the *Online and Mobile Service* at any time with or without cause or prior notice. Neither termination nor discontinuation of your access to our *Online and Mobile Service* shall affect your liability or obligation under this Access Agreement. You agree that we have the right to terminate your participation in the *Online and Mobile Service* at any time, and for any reason, including, but not limited to, inactivity in or closure of your Account with us. This Access Agreement shall be deemed null and void upon the closing of an Account or if your access to online banking services established through the *Online and Mobile Service* is terminated for any reason and all online and mobile services, established for and available to such Accounts shall be immediately terminated.

X. Changes in Terms and Other Amendments. This Access Agreement is subject to all applicable laws and regulations, recognized banking customs, our **fee schedule** in effect at the time the *Online Service* and/or *Mobile Service* is used, and other requirements as set forth in the "**Terms & Conditions of Your Deposit Account**" available at the branch office, by telephone at 610.366.1800, toll-free at 888.366.6622 or the "Deposit Account Disclosures" and "Online & Mobile Banking Disclosures" available on our website ("Account Agreement"), as amended from time to time. A request for fund transfers will be accepted as specified in that portion of the Account Agreement titled "**Electronic Fund Transfers Disclosure**". We may amend this Access Agreement (including changes in the **Other Fees & Charges Disclosure**) at any time. If the change would result in increased fees for any *Online Service* or *Mobile Service*, increased liability for you, fewer types of available electronic fund transfers, or stricter limitations on the frequency or dollar amount of transfers, we agree to give you notice of the change as applicable law requires. If advance notice of the change is not required, and disclosure does not jeopardize the security of your Account or our *Online* or *Mobile Service*, we may notify you of the change in terms by mail, email or by posting a notice on our website, AMBK.com. If you wish to decline to be bound by the changes, you should terminate the Account or discontinue the *Online* or *Mobile Service* to which the change relates; otherwise you will be deemed to have accepted and agreed to the change. Your continued use of the

Online Service or Mobile Service, after our change of terms constitutes your agreement to the amendment(s). The terms of your other account agreements shall continue to apply.
